Have a look at some of the 30 best Hostels in Paris.

Paris hostels and cheap hotels tend to offer quite a lot for what you have to pay. Especially if you take into consideration what locals have to pay in rent staying in central Paris all year around. Although there are many things that are a bit more expensive in Paris than in most other cities in Europe, a private hostel room with en-suite shower would not cost you more than in a mid-sized city in Germany for example. Paris hotel rooms in the low budget category often show quite a variety in terms of style and location. There very traditional hostels and budget hotels with lots of charm as well as very modern establishments. Be aware that on weekends during the whole year hostels and youth hostels in the city centre are usually pretty booked up so if you arrive at the train station or airport in Paris on a friday or saturday afternoon and try the chances are high that you end up in one of the hostels in Paris that are at least 30 min metro ride away from the city centre. It is recommended that you book hostels in Paris always a couple of weeks ahead if possible. Sites like hostelbookers.com and hostelworld.com are perfectly designed to reserve you a hostel room without any risk, all they ask for is a 10 to 20% deposit as an upfront payment, charge to your credit card. You can pay the rest in calm when you have arrived at the hostel. Its the savest and easiest way to book a hostels in Paris.

Websites for Cheap Hotel Deals
